

# LAKESHORE LOG

BY MRS. MALCOLM GREEN

NO 7-5816

Our sympathy to Mrs. Lawrence Spence, whose father, Alphonse Smith, died Nov. 1 at his home in Napoleon. Mr. Smith had attended the meeting of home owners in Logtown this afternoon and according to his daughter was grief stricken at the thought of having to give up his lifetime home.

The Halloween party at Gulfview School was well attended and everyone had a good time with the usual Halloween games. Costume prize winners were Miss Lorraine LaFontaine and Mrs. Juanita Shyrou, Louise and Sandy Green, Anthony Shubique, Cheryl Garcia, Paul Lucich and Clarence Green. Judges were Ed Ortte and Mr. and Mrs. T. M. Mason.

Lakeshore Cemetery was exceptionally lovely on All Saints Day. Its a shame we in Lakeshore cannot get together like our neighbors in the Bayou Caddy Cemetery, and keep ours lovely the whole year also.

Bert Courage and his new bride Diane have returned to Baton Rouge where Bert is a student at LSU.

The two new rooms added to Gulfview School have been completed and are now occupied. The rooms are decorated in cool shades of green and white. The old seventh grade room is now a study hall and library and principal Owen Seal is comfortably settled in his new office.

Rhonda Spence has abundant new coat for her by her grandmother, Mrs. Alphonse Smith, the other day in Picayune.

There are not very many families in Lakeshore who have not at one time in the past had Dr. A. P. Smith as their family doctor. His passing is a great loss, and he will be sadly missed by all who knew and loved him. If you wish to show your appreciation for his many years of faithful public service, you may do so by contributing to the Dr. A. P. Smith Memorial Fund.

Lots of sickness lately—

## Rituals Held By Beta Rho

## At Remel Home

Three pledges of Beta Rho chapter Beta Sigma Phi sorority, received their jewel of full membership in a candlelight ceremony Tuesday night at the home of Mrs. Julius Remel in Pearlinton.

Mrs. Robert Fayard, president, conducted the ritual assisted by Mrs. Remel, Ben Hille, Jr., and Reuben Ruiz.

Receiving jewel pins were Mesdames Guy Bufkin, Joe Church and Theodore Thomas.

Mrs. Fayard conducted the ritual in which Mrs. Russell Elliott, Mrs. Elizabeth Leah White and Mrs. Jean Wood were pledged to the chapter.

## Vicki Scharf

## Notes 10th Year

Vicki Scharf, daughter of Mr. and Mrs. Harry Scharf of 369 Jeff Davis Ave., Waveland, who recently moved here from Ft. Dodge, Ia., when his business transferred him to New Orleans, celebrated her 10th birthday Sunday with a party.

Enjoying an afternoon of games and refreshments with her were Mary Shamuck, Edith Ann Perniciaro, Linda Stratton, Sharon Walters, Kathy Payne, Brenda Weeks, Marianne Smith, Debbie Walters, Lori Cook, Debbie Lucas and Eleanor Turnipseed; also Mrs. Frances Bryant, Rev. and Mrs. Doyle Larida, Mr. and Mrs. Harold Cook, and the honoree's nephews, Jeff Cook, 2, and Steven Cook, 10 days.

Vicki's sister, Sally, and her mother, assisted in caring for the guests.

Jerry Carco is still a patient in VA Hospital in Biloxi. Mrs. Bertha Lucich has had a virus and Debbie and Susie Stoufflet have been confined with colds.

Peanut, a small white fox terrier type dog belonging to Mrs. Viola Garcia, has been missing for a week. She was last seen around lower Devil Swamp. If anyone sees her please call me.

Squirrel season has opened with a bang and the woods hereabouts sound like the Argonne Forest as every male big enough to carry a gun is out stalking the furry little animals. Here is a recipe for squirrel stew my grandmother used to cook up when we lived in Alabama.

3 squirrels cut in carving pieces, 3 qts. water, 1/4 cup diced bacon, 1/4 tsp. cayenne pepper, 2 tsp. salt, 1/4 tsp. black pepper, 1 cup chopped onion, 4 cups cooked tomatoes, drained, 2 cups each of diced potatoes, frozen lima beans and frozen corn.

Use a thick bottomed pot (grandma used a big iron one) and boil squirrels slowly for 1 1/2 hrs. until meat can be removed from bones. Return meat to liquid and add the rest of the ingredients except the corn. Cook slowly one hour, add corn and cook 10 minutes longer. This will serve six people with seconds.

Gulfview School Parent-Teacher Assn. will meet at 7:30 p.m. Monday. Refreshments will be served by the eighth grade room mothers.

Mrs. Marvin Lohmer and her two adorable babies are now guests of her parents, Mr. and Mrs. Noah Garcia of Bayou La Croux, while Marvin is off with the National Guard in Arkansas.

Lovely Paula Garcia and her two babies are staying with her in-laws—Mr. and Mrs. Gordon Garcia while her hubby Gordon, Jr., is off for active duty.

Forrest Neacise has finished playing fire lanes on the Gex-Rainwater lands. This is a bed time of year for fires so please watch those cigarettes, carelessly thrown from your car. The home you save may be your own.

## Mrs. Allen, Col. Pilet Are to Wed

Of widespread social interest is the announcement of the forthcoming marriage of Mrs. Ebert Ayres Allen of Pass Christian to Col. Nemes Christian Pilet, USA-ret., of Bay St. Louis, which will take place at 4 p.m. Sunday, Dec. 3, at Trinity Episcopal Church, Pass Christian, with Rev. Durville R. Hardin officiating. A reception will follow at the parish house.

The bride-elect, widow of the late Mr. Allen of Louisville, Ky., is the former Miss Jo Edmond Williams, daughter of Mrs. Joseph Edmond Williams of Camden, Ark., and the late Mr. Williams. She has made her home in this area for the last 10 years. A graduate of Mississippi State College for Women, she was assistant editor of the International edition of the Cotton Tradition Journal and has been active in the Girl Scout movement.

Colonel Pilet is the son of the late Mr. and Mrs. August Pierre Pilet of New Orleans. His mother being the former Augustina Nemes. He was graduated from Louisiana State University in 1924 and served as commandant of the ROTC there from 1949 to 1953. He was on duty in the Philippines when World War II broke out and was in the Bataan death. A prisoner of war for three years at Kadena, Taiwan, he accumulated during that time two books of famous recipes from fellow prisoners.

Mrs. Allen's son, Joseph Ebert Allen, will give her in marriage and her daughter, Miss Barbara Ayres Allen, will be her maid of honor.

Miss Hilda Russell, bride-elect of Dr. Joseph Dominic Marino, was honored at a miscellaneous shower Saturday at the home of Mrs. L. A. Sauer, Jr., as co-hostess.

Miss Russell was presented a corsage of white Confederate roses, and received her many gifts seated under a pink umbrella from which rain seemed to flow off.

Several years ago, when I was a young girl, I remember being in the kitchen one day, looking at the clock and seeing that it was 10:00. I was alone in the house, and I was feeling a little nervous. I was looking at the clock and seeing that it was 10:00. I was alone in the house, and I was feeling a little nervous. I was looking at the clock and seeing that it was 10:00. I was alone in the house, and I was feeling a little nervous.

Pearl River Junior College (rated No. 1 in football polls) presented homecoming Saturday. Geraldine, Grace Ann and Joe Bourgeois, Patsy Noonan, Bubble Souter and J. D. Bourgeois attended the game.

Another group, high school seniors, left bright and early Saturday for Poplarville and P. R. C., not to enjoy the game, however, but to take a four-hour college entrance exam.

Alvin Bourgeois and Buddie Wilcox spent the weekend in Baton Rouge - these lucky boys had tickets to the Ole Miss-LSU tilt. A very happy birthday to Gaynel Lagasse. She celebrated Saturday. Her younger sister, Jeanne, is having a wonderful time in Covington where she attends the Triple A Ranch branch of the St. Scholastic school. The students have their own swimming pool, stereo, tv, stables and, of course, lessons.

Judy Coppenez, St. Joseph graduate and presently a Loyola student, has been selected as an ROTC sponsor.

More birthday greetings - to Gene Ferry and Mackie Trelis both of whom cut their cake on Oct. 24.

The Bay High Little Tigers wound up their football season with an unimpressive record. Fun night, observed last Monday at St. Joseph, was quite an event - Each class presented a skit and the juniors won with their presentation of Mr. VII Reports. Participating in this were Mary Lou Herlihy, who we understand brought down the house with her portrayal of Mrs. Krushchev, Dennis Seuzens, Mitzi Bloch, Nancy Marchion, Susan French, Vivian Korson, Kathy Heath, Wanda Windsor, Peggy Lamb, Goolie Dejean and Louise Bufkin.

Many who collect rocks as a hobby will be most interested to hear a lecture on rocks and minerals to be given by Dr. R. A. Steinhilber at the library at 2:30 p.m. Saturday. Dr. Steinhilber is retired dean of geology at Tulane University.

Ann Clark and Carol Ann Damens of Western Auto and the Echo girls' bowling teams respectively, are leading the Pin-Ups league in their weekly high individual averages.

Lynne Hall has added another honor to her growing list - she is editor-in-chief of the Tampa Howls, Gulf Park College magazine.

Lloyd Bourgeois, Jr., a St. Stanislaus grad, is serving Uncle Sam in Frankfurt, Germany. He is a medical aid man at General Hospital.

Bowling bits - Tommy Benigno has been racking up impressive scores for quite some time having several 199's to his credit - Monday he broke 200 which makes him the third junior bowler to reach this mark.

Paula Crider bowls on Pin-Busters on WDSU tv Saturday.

## How Foolish

It doesn't make sense, and is probably stupid to give free publicity to an opponent. After all Mississippi's best known governor of this century, Mr. Theodore Bilbo, is quoted as saying "I don't care what you say about me as long as you put my name in the paper."

Nevertheless, realizing that it may be stupid, we are going to mention the name of Jack Parr. We don't normally watch his program—it comes on too late in the evening. In addition, along with many otherwise unmentioned program-masters, his part of his program just plain isn't any good except when he jumps on people we would like to jump on.

Our beef, however, dealing with one show last week, has nothing to do with the lack of excellence of Mr. Parr—it does have to do with either stupidity or malice or ignorance.

In our ignorance we don't know what Mr. Parr's fight with newspapers is (after all, we don't usually watch the antics of any sub-morons) but certainly Mr. Parr should not criticize the so-called "freedom of the press", since the only reason he could conceivably be on the air is the same "freedom of the press", but he did.

Wonder what other defense he could advance if the FCC said NO?

## K. OF C. NEWS

Memorial services were held on Monday night for Lucas Puchet, Jr., A. D. Bevenant and William W. Behar, II.

Birthday greetings are extended to Warren (Buck) Buehler, Nov. 8. This is Buck's 42nd.

Last Sunday's attendance at the K of C Communion was very gratifying and we especially congratulate the men who worked so hard in contacting the membership. These were the men who maybe had to call their home several times before they found the men. Edward Heitzmann, Gustave Thomas, Chester Favre and Carol Arnold.

## Shell Drilling Plans in Area Told to Rotary

Shell Oil Co. will soon begin drilling just outside Hancock County north of Half Moon and the rig will probably be in place within a week, according to David Cross, Mississippi attorney with the company's legal department. The information was disclosed by Cross when he talked to Rotary members about the seismic explorations of the Mississippi Sound made by Shell during the past two years.

The well will be in Louisiana waters just south of Mississippi and adjacent to the 20,000 water acres Shell has under lease from the state. Shell has another 20,000 extending up into Bay St. Louis which it did not relinquish when its earlier contract expired.

A depth of 16,000 feet to the bottom zone of the Lower Cretaceous, Cross explained, rather than the lesser depths of the zone wells drilled in the sound which went to the Mesozoic formation. Should the new well be productive it is certain, he added, that his company will soon be drilling in Mississippi. He stated that the company will have spent about \$2,500,000 on this well including the \$670,000 exploration and the cost of acquiring the mineral rights.

It is estimated that about 30 wells will move to Hancock County in connection with drilling this well.

Of course Henry Long is still chairman of the group and he advises that a complete breakfast will be served at the Hall following the monthly communion. Seventy-eight were in attendance last Sunday.

For several years several of Ed Murtagh's close friends have kidded him about nicknaming his first son KC but it seems that everyone lost their patience and until Saturday had given up all hope of a son for Eddie and Beryl. An early morning telephone call on Sunday brought the news—a son to the Murtaghs. Our heartiest congratulations and we hope that the grandfather, Douglas Bourgeois, holds up under the strain—the first grandson after 11 granddaughters.

We would also like to introduce you to Miss Lisa Pauline Thomas who arrived in Gulfport on Nov. 1 weighing eight pounds, one ounce. The proud parents are Mr. and Mrs. Gustave Thomas.

Happy to note that Ted Morel is now out of the hospital and back on his job at the Court-house.

Congratulations to Mr. and Mrs. Bill Brasset on the arrival of their fifth child, a daughter, on Oct. 31. Mrs. Brasset is the former Jo Ann Bonemps, daughter of Mr. and Mrs. Wallace J. Bonemps.

Sorry to hear that Capt. Ivon Bradford is confined to the local hospital but latest reports indicate that he will only be there for a short stay.

## Legion Membership Drive Ends Nov. 11

Clement Bonemps Post 139 of the American Legion will wind up its annual membership drive on Saturday, Veterans Day. Commander Frank Tocco has announced. Dues for the current year must be paid by that time to count toward the goal. The post has gone over the top continuously since 1952 and a few more members are needed to retain that record.

Regular meeting to tonight and Legionnaires are urged to bring another veteran or dues of an eligible member as part of the membership campaign.

**18 YEARS AGO**

**25 YEARS AGO**  
Nov. 6, 1936—An intensive drive for membership in St. Joseph Academy Parents Club with dues of \$1 has been started under direction of Mrs. A. G. Favre, club president.

ing developments as a result of the lunar landing race test site in the county. One set of bids was rejected last month as too low.

Last bids were accepted from Gulf Typewriter and Equipment Co. of Gulfport at \$149.50 for a 13-inch carriage machine for Logtown School and from Martin School Equipment Co. for five general science microscopes for the system at \$123.30 and one dissecting attachment at \$29.95.

Superintendent K. G. McCarty reported preparations to proceed with addition of six classrooms at North Central and A. J. Nease was elected to the vacancy on the faculty there created by the recent death of Culbert Lee. David Baker was reappointed to a five-year term as trustee there.

In other action, transfer was approved of \$125.30 from Sec. 6-16-6 funds to the building fund. Trustees Murphy and Alton D. Keller were directed to check further into exchange of poles with a Pileys firm for lighting the North Central gridiron. Principal Lee Route was authorized to make arrangements for cleaning of room heaters there and payment of bills docketed and signed was approved.

The board set its next meeting for 5 p.m. Saturday, Nov. 18, preceding the dedication at 7 p.m. of the two new classrooms at Gulfview School.

day for a similar joint to Huntsville, Ala. The two groups are to compare their findings and make one report which is to be presented to the supervisors on Monday.

Meanwhile, real estate division men of the engineers expected to wind up this afternoon their title research in the Court-house and return to their Mobile headquarters to start processing it. The study will move to Covington, La., Monday in preparation for acquisition of the land in St. Tammany Parish. Three men have been working here from nine to 12 hours a day copying deeds for the real estate planning report on the entire site.

Surveying of the ground itself in the test area got under way during the week.

This new refinery will be the largest re-

# A Message From The Hancock County Board of Supervisors

## TO THE PEOPLE IN THE SATURN ROCKET TESTING AREA

To our people in the West and Northwest sections of Hancock County who have to leave their homes and move to new surroundings, we extend our sympathetic understanding.

Unfortunately, we were not informed whatsoever prior to the meeting at the Logtown School on Wednesday, November 1, when information was released by Senator Stennis and Government Officials.

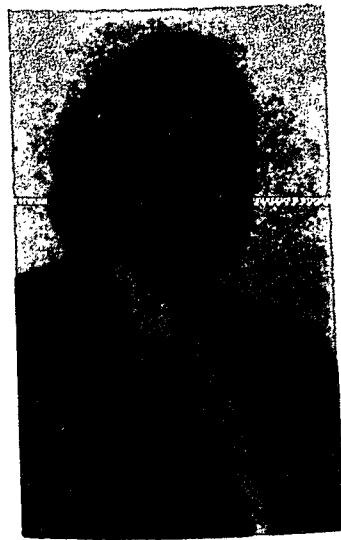

We are anxious to have our people remain in Hancock County. If we have any lieu lands we will make them available ONLY to the people who are affected by this space program, having to move out of the restricted area.

Your Supervisors are willing and ready to assist you in any way possible in finding a satisfactory new location. Call on us any time, either individually or when the Board is in session.

Be assured that we are doing everything possible to help you make the best of an unhappy situation.

## PCI Hosts Inter-City 56 Net Wins Play

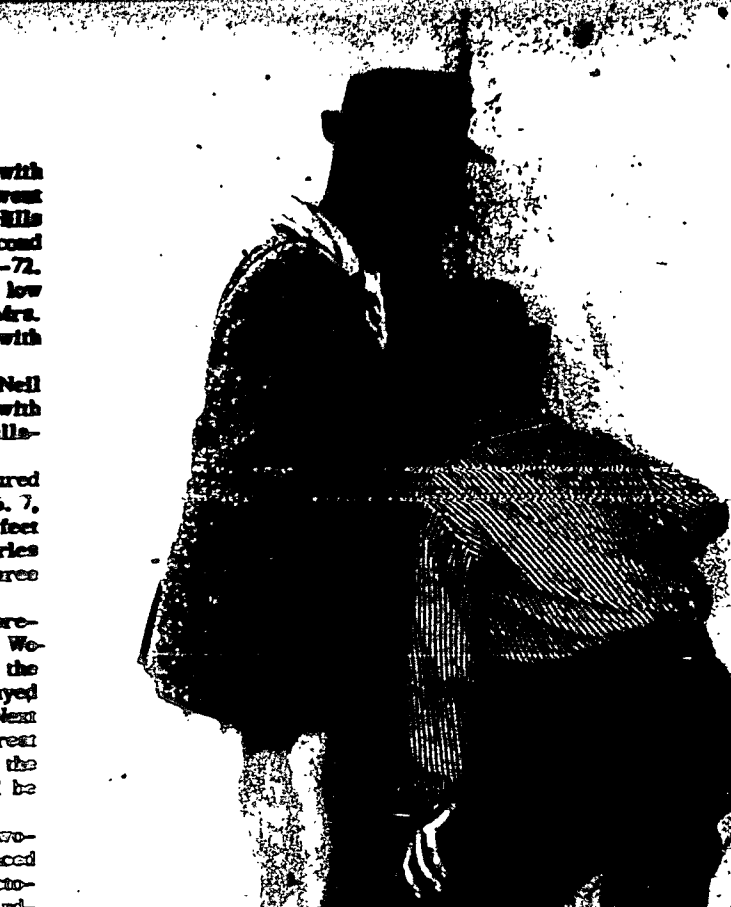

Fifty-two women golfers from along the Gulf Coast participated in the November inter-city tournament for which Pine Christian Ladies Golf Club was host Tuesday. Posting a low net of 56 to win Calcutta team honors was the threesome composed of Mrs. Mickey Bellande, Wanda Brynax and Ruby Noel. Finishing second with a net 61 were Mrs. John McDonald, Judy Suarez and Mrs. Walter Cox, Jr., while third place with a 63 went to Mrs. Ed Gammard, Nontie Buehler and Gustie Gelle.

Tying for low team puts with 22 each were the squads composed of Marian Hawkins, Maud Frye and Sara Bridges and Mrs. Bellande, Bonnie Powell and Mrs. Guy T. Bunkin, Jr. Next was Mrs. McDonald's team with 23. Individual honors went to Mrs. Bellande.

## Rocks Play Carriere Ocean Springs Game Faces Tigers Friday

Bay High and St. Stanislaus hit the road this weekend for what promises to be tough games for both local grid squads. The Tigers travel to Ocean Springs Friday to meet the Ocean Springs Greyhounds in a Gulf Coast Conference game. The Greyhounds, led by quarterback David Beugez, only a freshman, take a 6-2 record into the game.

St. Stanislaus takes its newly-found offensive attack to Carriere Friday night to play Pearl River Central. The Rockchaws, after dropping their first four games of the season, came alive with wins over Harrison Central and Ben Franklin High Schools and showed a good defense in holding powerful Reserve, La. to a 6-6 tie at halftime before finally dropping a 19-6 decision.

Carriere earlier in the season upset Bay High 14-7, and although the Blue Devils haven't won a game in the DeSoto Conference of which they are a member, they have a good team.
